Work Experience

Internship at London Aviation Museum

January - April 2026

I worked as a Frontend Developer for the local museum of aviation, developing a website from my team's design. Ensuring smooth and functional user interaction and accessibility.

Internship at LINE MAN Wongnai

1 April - 31 May 2021

- Talent Acquisition Intern (People & Recruitment) – Managed end-to-end recruitment and selection processes, including candidate screening, arranging appointment tests, and coordinating interviews to ensure an efficient hiring workflow.

ACHIEVEMENT

Winner of Faculty Web Development Competition

Fanshawe College – Industry Night 2026 Website

- Served as the Frontend Developer in a collaborative team to design and develop the official website for the Industry Night 2026 event.
- Translated design mockups into a fully functional, responsive web interface.
